1978: Giuliana Passamani, University of Trento.

1978: Bianca Lucia De Stavola, London School of Hygiene & Tropical Medicine.

1975: Silvano Bordignon, University of Padova.

### **Main research interests**

Programme evaluation.

Labour statistics, modelling of labour supply and unemployment.

Structural equation models with measurement errors.

Previously, substantial work on:

- Data revisions and dynamic economic modelling;
- Markovian models of the educational process.

### **Awards**

Ezio Tarantelli Prize for contribution to research in labour economics, 2005.

### **Scientific societies and research networks**

Istituto Veneto di Scienze, Lettere ed Arti – IVSLA: corresponding member, 2000-2008; member 2008- .

Consiglio italiano per le Scienze Sociali – CSS: member, 1991; member of the Council, 1995-2004; honorary member, 2004- .

International Association of Survey Statisticians: scientific secretary, 1987-89.

International Statistical Institute: ordinary member, 1984- .

Società Italiana di Statistica – SIS: member of the Council, 1982-86.

Istituto per la Ricerca Valutativa sulle Politiche Pubbliche – IRVAPP: *senior research fellow*, 2008- .

IZA *research fellow*, 2008- .

CESifo *research fellow*, 2003- .

### **Editorial activities and refereeing**

Member of the editorial board of *Statistica* (1993- ), *Economia & Lavoro* (1981- ), *Journal of the Italian Statistical Society* (1992-1999).

Referee for: *Economic Notes*, *International Journal of Forecasting*, *Journal of Business & Economic Statistics*, *Journal of Economic Inequality*, *Journal of Econometrics*, *Journal of Official Statistics*, *Labour*, *Labour Economics*, *Politica Economica*, *Ricerche Economiche* (ora *Research in Economics*), *Rivista di Statistica Ufficiale*, *Statistica Applicata*, *Test*, *The Review of Economics and Statistics*, McGraw-Hill, Ministero dell'Istruzione Università e Ricerca, UK Economic and Social Research Council.

### **Organization of conferences and workshops**

Bank of Italy's Workshop on "Fundamentals and methods for impact evaluation of public policies", Perugia, January 2009. (Scientific coordinator).

CSS Commission on 'The evaluation of the effects of public policies': "International Workshop on impact evaluation practice and prospects", Verduno, April 2007 (Organiser, with A. Martini).

19<sup>th</sup> AIEL Conference of Labour Economics: Thematic Session on "The evaluation of labour market policies", Modena, September 2004 (Organizer, with E. Rettore).

Workshop "Dynamics and inertia in the Italian labour market", VIU, Venice, April 2004 (Chairman of the Programme Committee).

CEIES Seminar "Innovative Solutions in Providing Access to Micro-Data", Eurostat and INE, Lisbon, September 2002 (Organizer, with Angela Dale).

Workshop "Participation at Work in Italy: Measurement and Modelling Issues", VIU, Venice, January 2002 (Chairman of the Programme Committee).

University of Padova and CRUI: Conference "*Stages*: valutazione di esperienze e proposte", Padua, February 1996 (Member of the Programme Committee).

University of Padova and Scientific Commission of the SIS 'Metodi statistici ed econometria': "Giornate di Statistica Economica 1992", Brixen, September 1992 (Member of the Programme Committee).

Istat: One day Workshop "Indagine sulle forze di lavoro", Rome, December 1991 (Organizer).

SIS and University of Padova: One day Workshop "Attendibilità e tempestività delle stime di contabilità nazionale", Padua, November 1986 (Organizer).

SIS: “38<sup>th</sup> Scientific Meeting”, Bari, April 1986 (Chairman of the Programme Committee).  
University of Firenze and University of Padova: Seminar “Stime provvisorie e revisioni di aggregati e indici economici”, Florence, November 1984 (Member of the Programme Committee).

### **Invited lectures**

Lecture, Università Ca' Foscari Venezia, Graduate School, PhD Opening Ceremony, Venice, November 2012.

Symposium “Balkan peer exchange-enhancing analysis and research-based advocacy in an era of open data”, Beograd, February 2012.

35<sup>th</sup> Annual Conference of the Società Italiana di Epidemiologia, Turin, November 2011.

Keynote Address, 1<sup>st</sup> International Conference on Labor Market and the Household, AIEL-CHILD-LABORatorio Riccardo Revelli, Moncalieri, November 2009.

National Conference of the Associazione Italiana di Epidemiologia, “Trials assessment and interventions for promoting health”, Rome, May 2009.

Annual Lecture of the CSS, Accademia Nazionale dei Lincei, Rome, November 2008.

National Conference of the Società Italiana di Statistica Medica ed Epidemiologia Clinica, Brescia, October 2003.

16<sup>th</sup> AIEL Conference on Labour Economics, Florence, October 2001.

Istituto Veneto di Scienze Lettere ed Arti, Conference on “Dignità del vivere”, Venice, October 2000.

4<sup>th</sup> Conference on Methodological Issues in Official Statistics, Stockholm, October 2000.

CEIES Seminar “Innovation in provision and production of statistics: The importance of new technologies”, Helsinki, January 2000.

Keynote address, European Science Foundation Conference on “Socio-economic research & geographic information systems”, Espinho, May 1999.

Istat and Sistan “Quarta Conferenza Nazionale di Statistica”, Rome, November 1998.

Conference “La misura della disoccupazione e la modellazione dell’offerta di lavoro: definizioni a priori e stime dipendenti da modelli a confronto”, Istat, Roma, January 1997.

University of Siena, Lectures in Statistics on the occasion of Sienna University 750 years, June 1992.

35<sup>th</sup> Scientific Meeting of the Società Italiana di Statistica, Padua, April 1990.

Keynote address, Opening of the 768<sup>th</sup> academic year of the Università di Padova, February 1990.

47<sup>th</sup> Session of the International Statistical Institute, Paris, September 1989.

Conference of the Società Italiana di Statistica, Pavia, April 1981.

International Symposium on the IEA Results and their Implications for Educational Policy and Practice, Rome, April 1977.

### **Selected presentations (last five years)**

- European Commission, “Third Annual Convention of the Platform against Poverty and Social Exclusion”, Brussels, November 2013.
- Presentazione della relazione del Gruppo di lavoro del Ministero del lavoro e delle Politiche Sociali sulla valutazione di ipotesi alternative di reddito minimo (con Paolo Bosi): “Proposte di nuove misure di contrasto alla povertà”, Senato della Repubblica, Rome, September 2013.

- 27<sup>th</sup> National Conference on Labour Economics, AIEL, Seconda Università di Napoli, Santa Maria Capua Vetere, September 2012.
- “Come valutare l’efficacia di politiche? Note sull’analisi controfattuale della causalità”, presentazione invitata all’Istituto Veneto di Scienze Lettere ed Arti, Venezia, March 2012.
- Seminar “La valutazione d’impatto in contesti osservazionali”, Università di Pisa, February 2012.
- Giornata di studio “La valutazione e le politiche”, Università di Napoli Federico II, February 2012.
- 72<sup>nd</sup> International Atlantic Economic Conference, Washington, DC, October 2011.
- “Padova-Linz Labour Economics Workshop”, Brixen, May 2011.
- 14<sup>th</sup> Conference of the Associazione Italiana di Valutazione, Trento, April 2011.
- Seminar Series “Evaluation of labour market programmes”, IZA, Bonn, November 2010.
- Research Seminar, Otto-Friedrich-Universität Bamberg, Bamberg, November 2010.
- 4<sup>th</sup> IAB Workshop on “Evaluation of passive and active labour market policies”, Nürnberg, November 2010.
- 10<sup>th</sup> Econometric Society World Congress, Shanghai, August 2010.
- Seminar “Monitoraggio e valutazione delle politiche attive del lavoro: esperienze territoriali e metodi”, University of Bologna, June 2010.
- 2010 CESifo Area Conference on Employment and Social Protection, München, May 2010.
- Seminar Series “Benessere, povertà e territorio”, Faculty of Economics ‘Giorgio Fuà’, Università Politecnica delle Marche, San Benedetto del Tronto, March 2010.

Workshop in honour of Guido M. Rey “L’economia italiana: modelli, misurazione e nodi strutturali”, University of Roma Tre, Banca d’Italia and Istat, March 2010.

25<sup>th</sup> International Methodology Symposium “Longitudinal surveys: From design to analysis”, Statistics Canada, Gatineau (Canada), October, 2009.

Seminar “La politica di Berlusconi 1994-2009. I governi del centro-destra in un confronto europeo”, Istituto Italo-Tedesco, Fondazione Bruno Kessler, Trento, September 2009.

24<sup>th</sup> AIEL Conference on Labour Economics, Sassari, September 2009.

21<sup>st</sup> EALE Conference, Tallinn, September 2009.

3<sup>rd</sup> Conference of ESRA – European Survey Research Association, Warsaw, July 2009.

Workshop on “Low pay, low skill, and low income (LOPSI)”, Università Cattolica, Milano, June 2009.

Meeting “Il lavoro che cambia”, Fondazione della Camera dei Deputati, Palazzo Montecitorio, Rome, May 2009.

### **Research grants**

“Post-secondary vocational training courses: Are they effective for Italian unemployed youth with high school diploma?”, European Commission, DG Employment, Social Affairs and Inclusion, VP/2013/005 (member of the Management and Methods Coordinating Committee).

MIUR – the Ministry for Education, University and Research – FIRB grant for a research project on ‘The policy implications of demographic ageing’, co-investigator, 2010-13.

Research agreement between the Department of Statistics, University of Padova and Istat on ‘Continuous Labour Force Survey: Data quality in a panel perspective, gross flows and microdynamics of work participation’, 2010-12.

Research agreement between the Ermanno Gorrieri Foundation and Istat on ‘The dynamics of intergenerational inequalities and the condition of the youth in Italy’, principal investigator, 2009-12.

Research agreement between the Department of Statistics, University of Padova and Istat on ‘The Continuous Labour Force Survey: Data quality in a longitudinal perspective and flows and dynamics of labour force participation’, principal investigator, 2007-09.

MIUR grant for a research project on ‘Impact evaluation of public policies: methods and case-studies’, co-investigator, 2006-08.

MIUR grant for a research project on ‘Evaluating the impact of active labour market and welfare policies: methods and case-studies’, principal investigator, 2004-06.

MIUR grant for a research project on ‘Dynamics and inertia in the Italian labour market and policies evaluation (data-bases, measurement issues, substantive analyses)’, principal investigator, 2002-2003.

MURST – the Ministry of University and Scientific and Technological Research – grant for a research project on ‘Employment and unemployment in Italy: measurement and behavioural analyses’, principal investigator, 2000-2001 .

MURST grant for a research project on ‘Labour and unemployment: issues of measurement and analysis’, principal investigator, 1998-1999.

CNR – the Italian National Research Council – grant for a research project on ‘Unemployment and the low activity rate in Italy: specific causes and adequate remedies’, principal investigator, 1995-98.

Ministry of University and Research grant for a research project on ‘Complex household surveys, non-sampling errors and micro-models of economic behaviour’, principal investigator, 1994-98.

CNR grant for a research project on ‘Measurement errors and statistical models for longitudinal data’, principal investigator, 1993-95.

MURST grant for a research project on ‘Discrete choice, latent variables, and stochastic models of economic behaviour’, principal investigator, 1992-94.

MURST grant for a research project on ‘Longitudinal data and methods for the analysis of labour supply’, principal investigator, 1988-91.

Fulbright Fellowship, 1988/89.

NATO- CNR Senior Fellowship Scheme, 1988.

Ministry of Education, CNR and Istat (the Italian statistical office) grants for a research project on ‘The Italian labour force survey: design and structural analyses’, principal investigator, 1986-89.

Ministry of Education grant for a research project on ‘Economic data revisions and dynamic modelling’, principal investigator, 1983-85.

CNR grant for a research project on ‘Structural models with measurement errors in the social sciences’, principal investigator, 1979-81.

NATO-CNR R Senior Fellowship Scheme, 1979.

Ministry of Education Fellowship, 1967-69.

CNR Fellowship, 1966-67.
